Your Local Community Action Agency!

Welcome!
The CASEWV family is proud to have a quarterly newsletter to keep you up-to-date with the many things that are happening within the agency. With 300 employees and 12 different programs, we have a lot to share. Enjoy learning more about us and the great services we offer.

HAPPY NEW YEAR!

May this *New Year* bring lots of happiness to you and your loved ones. Also, let us all be more aware in 2012, that by helping others, even in the smallest way, can make a big difference. Not only is it good for the person receiving a good deed, but it speaks volumes as to who you are as a person. Just one *simple act of kindness* brings much joy and it is truly rewarding. Practice often.

We started the holiday season off in late October with a successful EXPO 3 at the Mercer Mall. There was a great turn out, fun music and our staff did an amazing job.

In November, we celebrated "Giving Thanks" to our partners and supporters. Baskets were delivered throughout the area to show how much we appreciate all that they do for us.

And, a very good time was had by all at the Bluefield Christmas parade! Thanks to Gracie & Sara for leading the way!

Executive Director's Message: CASEWV is celebrating "48 New Years"! And, as we approach our golden, 50th anniversary for the agency, getting older for us means getting better! We have seen a lot of changes and weathered many funding storms over the years, but in the end we have not only survived, we have thrived. The growth, longevity and success of our programs are fueled by your needs. Our 2012 New Year's resolution is to provide even more opportunities to help you and our communities grow stronger. Our dedicated, talented staff are already busy bringing this to fruition. Let's all rally and make this the happiest and best, New Year ever!

Sincerely, *Oraetta Hubbard*

ABOUT US: CASEWV is your local community action agency providing services that improve the quality of life for our residents through our various programs. With over 300 professional employees and locations in Mercer, Summers, Monroe and Raleigh counties, we service over 7,000 families and individuals per year. Our annual budget of approx. \$12,000,000 not only helps our citizens, but stimulates our local economy through employment, ownership of properties and the accomplishments of the programs themselves. With services ranging from pre-natal to seniors, our directors facilitate these programs at our state-of-the-art locations. Governed by a Board Of Directors, we have established an excellent record of local, regional and national partnerships. We have been serving southeastern West Virginia since 1964.

CASEWV Video Conference Center Now Open!

We are very pleased to announce that our state-of-the-art video conferencing center is now in use. Headquartered at 355 Bluefield Avenue, Bluefield, West Virginia, it was recently christened with a CASEWV Board of Directors meeting and included Summers and Monroe counties attending. This is a huge asset to the agency as we can conduct meetings and seminars with other locations, saving valuable time and the cost of traveling. If you are interested in using our center, please call 304-324-0450 and ask for Rachel Remines.

Thanks to the Soles 4 Souls program and Dr. Lenny Horwitz of the Foot Pain Center, Bluefield, Virginia, we received 80 pairs of shoes to distribute in the community. The children's and men's shoes were greatly appreciated by those that were in need and went to our Head Start children and men who are in support programs in Mercer and Summers counties. We are looking forward to participating more with this wonderful world-wide organization in the future.
