Welcome!
The CASEWV family is proud to have a quarterly newsletter to keep you up-to-date with the many things that are happening within the agency. With 300 employees, 12 great programs and an annual budget of $15,000,000.00, we are dedicated to our communities growing stronger and achieving stability.

Happy New Year 2013!

How fortunate we are to have a holiday that has the word ‘happy’ attached to it. What a nice word. Just by saying it brings a smile to peoples faces and it lingers in the air with invisible goodness and moments of joy. May the spirit of the word “happy” be a guiding force in your life this year. Also remember that for most of us a New Year’s resolution is something that goes in one year and out the other! :)

Our Bluefield Christmas parade was said to be the best in 50 years! It was a beautiful day and the town really turned out for this event. Many thanks to all the programs who participated. Chat is already out about doing it bigger and better next year.

Thanks to all our board members for their time and talents!

E
ductive Director’s Message: Lucky #13 in most cultures is considered an honored
umber. It represents the end of a situation and the fresh beginning of another,
which relates in many ways as to what we do here at CASEWV. Through the ability
and services of each program, we endeavor to improve each individuals circumstance and
present new opportunities for each person we serve. The simplest of actions and support
in that it is information or a need, we are
here to assist you. Let’s make 2013 a year to move much good fortune into our homes,
hearts, lives and be good stewards of our community.
Our best to all of you. Oraetta & Jimmy Hubbard

Everyone sure seemed to be in the spirit this past year. It may or may not have been mighty, but it was for all the
local residents. Hot chocolate and cookies were available and as you can see it was a blizzard! Oh, not
really. Just some dy-

Gifting Our Soldiers
A great big thanks to everyone who participated in gathering items for the 121 soldiers of our 304th Military Police stationed in Afghanistan. A.J. Wild, Oraetta Hubbard’s nephew played Santa Claus for the “13” boxes sent over. The response has been very heart warming to all the gifts that were received. Please keep these guys and gals

Beautiful has nothing to do with looks…it is how your are as a person and how you
make others feel about themselves.
Life is not about waiting out the storm,
but learning how to dance in the rain.
It is never to late to be what you might
have been.
