

YOUR LOCAL COMMUNITY ACTION AGENCY

RIGHT FROM THE START

Beginning with a positive pregnancy test, through a newborns development and up to age one, our program has a vast array of services. We assist with medical care, child birth, and parenting classes and the overall needs of having a well and healthy baby. Our in- home registered nurses and licensed social workers assist in client's health and how to properly care for their baby. There are requirements for participating in this program. We service Mercer, McDowell, Monroe, Raleigh, Summers, Wyoming, Greenbrier, Pocahontas, Webster, Nicholas, Fayette and Braxton.

RFTS Golf Tournament on August 22, 2011 was able to raise \$1000; these funds will go towards purchasing much needed items for our baby closet. Special thanks to Becky Walker for organizing the event and all the volunteers, players and sponsors who made this a successful and fun event.

CASE CARES Baby Closet now has two volunteers working to ensure that the closet can be open daily. The hours are:
Monday, Wednesday and Friday 10am-2pm
Tuesday and Thursday 10am-4pm

Donations are always needed and welcome.

Brenda Johnson is currently working with a physician from Charleston Area Medical Center and several other local physicians to establish a program to assist drug addicted pregnant women in becoming less drug dependent so that their infant may be born drug free.

We would like to thank all of our CASE WV RFTS DCCs for their dedication, hard work, and wonderful care of our clients. They always go above and beyond the job!!!
